1) Review of Christmas event

1.1 Emily had circulated bullet points from the review meeting held just after the event. Nigel asked for any further comments.

1.2 Further points raised included:

- Start time and duration of the event – Possibly start a little earlier so younger children can stay longer and enjoy, given it is a school day the next day.
- Next year we should be able to have more of the event outside as groundwork at St Aidans is being done over the summertime so there will be more outdoor space
- We should offer more opportunity for the villagers to contribute to raffle prizes

ACTION: Sophie to send names of businesses that donated raffle prizes and photos from Christmas event to Emily

ACTION: Nigel will buy some storage boxes to package up and store decorations etc.

2) St Aidans Fund update

2.1 Nigel gave a summary of the meeting held on the 14 January to decide what the left over funds should go towards. There were various options including a storyboard, money to go to the social committee or to go to the village hall towards repairs. After a vote the decision was for the money to go to the village Hall. The parish council will administer the funds from the village hall bank account.

3) Update from the treasurer

3.1 Sophie advised that the bank account is very close to being set up, final documents will be sent off once signed at the meeting

3.2 Sophie gave an update on the current funds we have, currently around £400 after paying all of the invoices, including the public liability insurance.

ACTION: Sophie to send around total monies specifically raised from the Christmas event.
