

5. Fete

Please see action notes from Emily, attached.

For the programme, we still need the following:

Chris Cully to do the centre plan.

Emily to write the welcome letter.

Lynsay & Emily to confirm the timetable of events.

6. AOB

At the last meeting Mike suggested a reminder/aware/alert text messaging service we could have to advise or remind everyone who signed up about events or issues around the village. He has found the cheapest PAYG mobile service through Tesco's. The cost would be 2p per text messages, as it's only for text it's very cheap to run, he has a spare phone to use so no outlay for a new phone.

He has suggested we put something together explaining what its for in the next standard, we will carry this over to our next meeting.

9. Close and Set Date for Next Meeting.

Our next meeting ordinary committee meeting ins on Thursday 20th June 7.30pm in the village hall.

Extra meeting for the fete, Thursday 30th May 7.30pm in the village hall, Lynsay to book the meeting room.
