Coronavirus Outbreak - Cancellation of Meeting(s)

In view of the coronavirus outbreak, with its attendant problems of individuals being expected to self-isolate, restrictions on group activities, closure of the Village Hall, etc., Councillors have reluctantly concluded that the Ordinary Parish Council Meeting scheduled for April 2020 should be cancelled. In these circumstances the Parish Clerk will be authorised to take any necessary action to maintain procedures after consultation with the Parish Councillors.

It is likely that similar action will in due course have to be taken to postpone the meetings scheduled for May. These are the statutory Annual Parish Meeting and Annual Parish Council Meeting, which by law have to be held before the 1st of June. The agenda for the latter must include provision to legalise procedures for the forthcoming year including the appointment of officers. We are therefore awaiting advice as to the correct procedure to be followed in the current emergency.
