## 1. General

1.1 These financial regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council. The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council has a sound system of financial control, which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These financial regulations are designed to demonstrate how the Council meets these responsibilities.

1.2 The Responsible Financial Officer (RFO) is a statutory office and shall be appointed by the Council. The Clerk has been appointed as RFO for this Council and these regulations will apply accordingly. The RFO, acting under the policy direction of the Council, shall administer the Council's financial affairs in accordance with proper practices. The RFO shall determine on behalf of the Council its accounting records, and accounting control systems. The RFO shall ensure that the accounting control systems are observed and that the accounting records of the Council are maintained and kept up to date in accordance with proper practices.

1.3 The RFO shall produce financial management information as required by the Council.

1.4 At least once a year, prior to approving the annual return, the Council shall conduct a review of the effectiveness of its system of internal control, which shall be in accordance with proper practices.

1.5 In these financial regulations, references to the Accounts and Audit Regulations refer to the Regulations issued under the provisions of section 27 of the Audit Commission Act 1998.

1.6 In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in Governance and Accountability in local Councils in England and Wales - a Practitioners' Guide which is published jointly by NALC and SLCC and updated from time to time.

## 2. Annual Estimates (Budget)

2.1 Detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the year shall be prepared each year by the RFO in the form of a budget to be considered by the Council.

2.2 Council shall review the budget not later than the end of January each year and shall fix the Precept to be levied for the ensuing financial year. The RFO shall issue the precept to the billing authority and shall give each councillor a copy of the approved budget.

2.3 The annual budgets shall form the basis of financial control for the ensuing year.

## 3 Budgetary Control

3.3 The RFO shall regularly provide the Council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at the end of each half year.

3.4 The RFO may incur expenditure on behalf of the Council, which is necessary to carry out any repair replacement or other work, which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure, subject to a limit of £500. The RFO shall report the action to the Council as soon as practicable thereafter.

3.5 Unspent provisions in the revenue budget shall not be carried forward to a subsequent year unless placed in an earmarked reserve by resolution of the Council.
